

CHALLENGES

Challenge of time...

Colossians 4:5 Walk in wisdom toward them that are without, redeeming the time.

A couple of days were spent in Wisconsin with dear friends from our home church in Iowa. God has special plans for this wonderful couple as they face uncertain daily health issues. The doctors have given Denny a limited number of days. We are so thankful that only the Lord knows the number of our days, weeks and months. We are continually blessed by their testimony of faithfulness.

Challenge for the future...

Proverbs 4:26 Ponder the path of thy feet, and let all thy ways be established.

Grandson Alex, adopted from Russia at age 4, accepted Jesus as his Saviour at age 4, accepted Jesus at age 7. Graduated from high school at age 18, joined US Air Force, awaiting orders to report for basic training.

Challenge in Ministry...

Psalms 90:12 So teach us to number our days, that we may apply our hearts unto wisdom.

Don't let the Lord find you sleeping

We try to challenge the children with evangelistic object lessons as well as the Bible lessons and memory verses. It was fun to create this one and show the children that nothing can remove sin but Jesus. After you are saved everything you do is because Jesus does it through you.

Of course some little ones at camp have had enough **challenges**. 😊

Future

It was fantastic to spend a few days with our grandson and his family in Iowa. The future is still unsure...he was supposed to go into the Air Force in September and there has been a delay. We know that God is never late, so this is just another step in His Master Plan. **Praise** the Lord Alex has a part time job and a car. **Pray** as he waits on the Lord for God's perfect timing. **Pray** that he will mature spiritually and emotionally and not be led astray in the work world.

Time

Larry and I celebrated our 46th anniversary on June 26. We are so thankful for the time we have had, and that we have been able to serve the Lord together full time for 30+ of those years.

Pray for our friends Denny and Cheryl as they walk the path that God has given them. May they find each day a precious gift of time as they continue to share the love of Jesus with others. Many times we consider time to be our enemy...not enough time to do what we want. We are only promised eternity, we do not know the moments or the hours of our limited time on earth. May each of us be more mindful of laying up treasures in heaven.

Ministry

Lauana has a writing ministry project that will be due October 3rd. **Pray** that in the midst of our daily and weekly ministry that she will have quality time to look over what has to be revised, rewritten or updated. **Pray** for wisdom, discernment and godly enablement. **Pray** as we seek God's direction for fall ministry, for clubs, for schools, for trainings, and for traveling as the Lord opens doors. Rejoice with us that at last week's camp 99 were enrolled, average of 81 and 17 made professions. God enabled and used wonderful people to encourage us during the hot hot week! Thank you everyone!
